

AUTOMATE BACKGROUND SCREENING

Effortless, Secure Automated Background Checks

Truly Canadian

We ensure that our clients make informed decisions based on reliable and accurate results because we are familiar with Canadian privacy and human rights legislation.

Fully Compliant Process

We adhere to Canadian Police services disseminating information policy and follow strict compliance-based processes approved by national law enforcement partners.

All-in-One Platform

Perform a range of searches on our Canadian online platform, including criminal record checks and driver licence verifications. Your data is securely stored in redundant Canadian Data Centers for added peace of mind and business continuity.

Seamless Candidate Experience

Candidates can conveniently complete their consent form from any handheld device in just minutes, with 24/7 access to complete their checks.
