

DRIVER ABSTRACT

Ensure Safety and Protect Your Brand with Driver Abstract Checks

Who's Driving Your Business?

Your drivers are more than employees – they are representatives of your brand on every road they travel. Ensuring they drive safely and responsibly is critical to your company's reputation, safety, and bottom line.

Understanding Driver Abstract Checks

A Driver Abstract Check provides a comprehensive snapshot of an individual's driving history, including:

- Licence Status
- Authorized Vehicle Classes
- Impaired Driving Charges
- Licence Validity
- Traffic Convictions
- Suspensions and Prohibitions

The Advantage for Your Organization

✓ Reduce Risk & Liability

Identify unsafe drivers before they become a risk to your team, your customers, and your business operations.

✓ Lower Insurance Premiums

Demonstrating that your drivers have clean records can help keep your insurance costs down.

✓ Strengthen Compliance & Safety Standards

Meet regulatory requirements while fostering a safety-first culture within your organization.

Driver Abstract Checks enable quick and informed hiring decisions, so you can onboard qualified drivers without delay – keeping your operations moving efficiently and safely.

Perfect for:

- Commercial Drivers
- Delivery & Courier Personnel
- Employees Operating Company Vehicles
