

SOCIAL MEDIA CHECK

What is a Social Media Check?

A fast, reliable way to assess an individual's online presence for potential risks. We analyze publicly available content across major platforms to help employers make informed hiring decisions while ensuring compliance.

✓ Access to a Premium Database ✓ Compliant & Ethical ✓ Canadian-Based Support

Flags Potential Risks

Discrimination, threats, controlled substances, explicit material, and illegal behavior

Fast Turnaround

Receive a detailed report in just three business days

Detailed & Actionable Reports

Screenshots, URLs, content categories, and a summary of flagged elements

Comprehensive Risk Assessment

Detects reputational and behavioral risks beyond traditional background checks

How It Works

- 1. Account Identification** - Locate and verify social media accounts linked to the subject.
- 2. Content Review** - Assess posts, comments, reshares, and likes for concerning content.
- 3. Report Delivery** - A clear, concise summary with flagged elements, screenshots, and platform details.

Information Requirements

Full Name & Date of Birth (Mandatory)

Optional: Social media handles, email, phone, employer, last known address (for better accuracy)
